

B. R. 23^d Octr 1882

Dear Dr Dawn—

I have just recd
yours of yesterday date
— I shall do nothing until
I see you. If I believe it
may be better to wait on
Providential event —

I cannot go to Town before
Thursday without some
inconvenience to myself
and disappointment to others
— I should like to meet the
members of the Corporation
but do not see that my
presence

presence is a business
necessity -

Mr. Day & myself will
be in Town Thursday
Friday and Saturday -
I hope to have some quiet
talk with you about your
own movements and
the future of the University
- Judge Mackays letter is
very satisfactory - The necessary
provision for his Books must
be made if possible at
our Saturday meeting.

I see by your letters that
you are arrived or would
be if you did not turn to the

never failing source of
support and comfort -

God bless you my dear
friend in your laborious
and noble life - Kindest
regards to you and yours

Believe me
Yours sincerely
O. D. Day
