Dear Dr Dawson,

Would you be so kind at your earliest convenience to send me a letter of recommendation to be presented to the Deputy Minister of the Interior - Mr. Lindsay Russell - stating what you know of my capacities in, (with profress in view of) studies in the Natural Sciences, especially in Geology & Palaeontology. By doing so you would confer a lasting favor on yours

of pupil & disciple

P.S. Should you think it  
desirable to insert any  
thing else, I leave it to  
your judicious discretion
