Montreal 5th Nov^r

Dear Sir

I am favored
with your note of
the 2nd Inst having
reference to the
Action now moving
property I wish
before deciding as
to the propriety
of issuing the
proposed extension
of Bond to Mr Plumkett
to have communication
of

of a Document specifying
my certain conditions
in regard to manage-
ment sale or what
ought to be in the
hands of the agents
but cannot now
be produced I would
much rather the
property were kept
but I don't propose
to be unreasonable
altho I would like to
exercise my judgment
and I don't think much
harm can come of my
alone hesitating

Yours
