Dear Sir

I reply to your letter
I am quite disapointed in your
not taking the Hawks. In the
first place I got your letter asking
if Pennor had any claim to the
Case of Bird. I came to you and
told you that he had nothing
to do with them. You told me
that you would take them at
the Pennor agreed to give \$60-00
but could not take them until
the Museum was ready.
after that I received a letter from
you saying that you had got a
Present of a lot of Birds and did
not want all that was in the case
but would take \$ Hawks that
you had not got. and any other
kinds you had not got you would

takes them to make up the amount
say \$60.00 I took the Birds that
you ordered to the Collage before
I left Montreal, and now you
send to say that you do not want
them. You told me the last
time I saw that Money was scarce
at present. I told you that I was
in no hurry about it I would trust
you until money was more plentiful
I don't mind taking off one Dollar
each from the Hawks. say \$2.00
instead of \$3.00 it will be a great
loss to me, as I could have sold
the Case to a Gentleman from the
States for the \$60.00 but I told
~~him~~ that I had sold it to you,
and I sold him several other
Birds. The remainder Birds in the
Case, was badly damaged by Carriage
to Toronto. a reply to this will
greatly oblige
