Toronto 17th Nov. 1882

Dear Sir,

We have in V. 7.
your steel-engraved portrait
impressions from which, as
you are aware, appeared
in our "Canadian Biog.^e Dicty."

Do you care to have the plate
& if you do what would
you be willing to pay
for it?

In case you don't care
for the plate we will instruct
our engravers to melt it.

Yours obedtly,
