

Three Rivers, Que
24th Nov. 1882

Principal Dawson,
Montreal.

Dear Sir,

I know how fully taken
up your time is, and
still I make bold to ask
you whether you could
run down to Three Rivers
some Friday afternoon
to give us a lecture on some
subject, which Roman
Catholics could listen to
as well as Protestants.
I am making arrangements

for a course, and have suc-
ceeded in securing some
of those I want. It is so
seldom we hear anything
to stimulate us down here!
You would lose Friday
Afternoon (train leaves at 3 pm)
and part of next day - un-
less you wish to travel
by night train, and then
you could be back to
Montreal at 7 a.m. on
Saturday. - I would be
so happy were it possible
for you to devote that
length of your precious ^{time}
to the cause of education
in these States which
more than needs it.

If you can make it convenient please

If you can make it convenient please
for a sale in Feb. March, or April
and I will arrange next October

Yours respectfully

Wm. B. Brown
