Senior School
Dec. 13-82

My dear Dr Dawson

The secretary
of the "Teachers' Association" has
asked me to write you a note
to inform you of the meeting
on Friday night, the 15th inst.
There is to be a lecture by
W. N. Evans on "Love," the Irish
author, illustrated by some
of his songs - music & some
readings will fill up the
time - If you can be there, we
shall be very much pleased,
& take it as an especial favor.
Our meetings are now held

every month, instead of
papers, as formerly, we are to
have several lectures during
the winter - This is the first
lecture of the series & we hope
to make it a success in numbers,
at least - Perhaps, during the
winter, it may be possible
for you to favor us, tho, you
are so busy, we do not expect
it - If you could do so, will
you please let me know, as
I am now arranging for the
lectures - Dr. Stevenson & Mr. Barne
have promised lectures in Jan. &
Feb. - Excuse this, please.

Yours sincerely
F. G. Haight.
