April 5, 6, & 7 are the only days that you can be with us, allow me to ask if you can be in town early enough to lecture Thursday afternoon, as the evening of that day is somewhat preoccupied by church meetings.

We prefer to leave the choice of subjects entirely with yourself.

Please let us know at an early day what compensation will be satisfactory for the service you kindly encourage us to expect.

Very respectfully and cordially  
Yours,

Wm Thompson.
