Principal J. W. Dawson,
Dear Sir,

Not long since I read an article of yours in Princeton Review, entitled "Points of Contact between Science & Revelation". In this article you make reference to another work ^{of which you are the author} published ^{by yourself}, entitled "Origin of the World". This book I should like to purchase of you will be kind enough to drop me a Postal telling me the name of publisher & address & also stating price.

I am anxious to see your ~~own~~ opinion of the Sabbath day and its probable place in the ceremony of God.

I enclose you stamp envelope, but for that as it is U.S. it will be useless to you. Hoping that I may be favored with a reply at your convenience, I remain,

Very Respectfully Yours,
W. C. Campbell.
