My dear D^r. Dawson

I have yours of yesterday. I was not before aware that there was any difficulty about the Bible Society's work in the Female Jail. If there is, I am sure it has not been caused by any action of the Government - Mr. Smith, our Inspector of Offices goes to Montreal tonight, and I have asked him to look into the matter and let me know on his return what the

trouble is.

As to school mat-
ters I understand that Mr.
Heneker and the Bishop
desire to meet the Premier
tomorrow, and lay before
him the requests of the Prot-
-estant Committee, at least
Mr. Heneker has asked
me to see if such an
interview can be had to-
morrow.

Very truly yours
