

Minneapolis, 27 Jan 1883

Mr. J. W. Dawson
Montreal, Canada.

I am directed by the Local Committee of the A. A. S. Minneapolis, to request you to inform us, if possible, about what amount of money should be raised to meet the expenses of the approaching session of the Association, — so far as an estimate can be based on the sum raised by the Montreal Local Committee. Of course we understand that this depends wholly on the plans & notions of the citizens as to the ways & means of entertainment; but in order to instruct our sub-committee on that point we would like to know what the local expenses were at Montreal.

Respectfully,
A. H. Mitchell, Secretary
