

Sent when Febry 9<sup>th</sup>

My dear Sam & Mrs. Blosser  
I received your  
letter and was so glad  
to hear from you  
and receive so many  
kind expressions of care  
for me and well  
wishes for me in time  
and Eternity also

The little remembrance  
I sent to the Chloke  
was not worth speaking  
about and I am  
sure I take a great  
pleasure in the thought  
that they take it so  
kindly to receive and  
enjoy a little of the Baby  
then Grandpa bestowed on  
me so long ago

Anna sent me  
the Pictures of her of  
Her little ones they  
must be lovely indeed  
judging from what  
I can remember of  
them Anna the eldest  
one is just as like her  
as can be so that  
you have in the little one  
little Anna one again  
I think the little one  
is as like her

I had out our  
Hampden sheldup  
with your kindly hands  
for the little slip  
we acknowledge the receipt  
of the Photographs  
I am glad to hear  
that William is ~~at~~

is about getting a Home  
for himself beside  
yourselves, with so suitable  
Partner Will you be

kind enough to give him  
my kind regards  
and Benkin also if  
he is still with you

and so Miss Eva  
is the only one at Home  
which it is nice to have  
her with you for a while longer

give her my kind regards  
also

I was very  
glad to hear of Ben  
and that he is so  
useful and busy a  
comfort to you all

With kind Remembrance  
to you both

I Remain ever Sincerely  
Your friend
