Dear Principal Dawson -

Thanks for the Circular
which is all that is required. I
hope Mr Graham will see to its
immediate distribution, & the issue of
the Circular will be made shortly.

Mr L. Kelly tells me
he has not yet been able to get any

many grants discussed in Council
but that for the O. S. will
be one of the first considered.

I am in favour of
of Delegation for the
English & French Associations
being visited.

The amount given I give

In the U. S. will not of course
cover all printing expenses of
all papers are printed. I have
asked for \$5000 yearly. Perhaps
the susceptibility of those whose
papers cannot be printed &
be consulted of the issue to
them of a formal vote of
thanks & on the part of
the Society

according. The opinion of the value
of the ~~paper~~ contributions
necessarily left unprinted?

Believe me

Yours if

John

Principal Dawson
