

9, VICTORIA CHAMBERS,

LONDON, S. W.

10th March 1883

My dear Dr. Dawson

I duly received your
valued letter of 14th Feb^y - and
as you will know - have
communicated with Professor
Bonny - so I need not
repeat my letter to Dr.
Hunt.

I think we shall carry
our point - but there are
difficulties and a material
one will I fear arise in
our Steamship arrangements -
The time for the meeting
being just when they can
fill their ships with
full paying passengers -
We shall do our best,

Yours

you may be assured -

I am glad the
Government have come
forward so liberally -

I quite envy you
the proposed trip to
Egypt and Palestine.
You certainly have well
earned your holiday, and
spare from its benefit
to yourself. I am sure
its results will be
immensely useful in your
future work.

I hope I shall be
in Canada before you
start for the North West,
A

I should like very much
if we could arrange to
go together =

You will I think be
pleased to hear that my
Edinburgh application has
procured for me the
distinguished honor of the
L.L.D. degree from the
University - I am to be
"capped" on the 20: April -

With kind regards to
Mrs Dawson and Miss
Eva Believe me,

Yours sincerely
M. Hall
