OF CONNECTICUT.

Hartford, Conn., March 24, 1883.

Dear Dr Dawson,

Our best hotel is the Allyn House. Street cars, running within forty or fifty rods of Hasner Hall, pass the hotel at short intervals.

A blackboard and arrangements for diagrams will be in readiness Thursday, April 5th.

The audiences will not differ much at the successive lectures.

We think that 3.30 will be the best hour for the Thursday lecture, & probably, also for Friday's.

As a number of our
licentiates go out to
preach on the Sabbath,
some hours in the fore-
noon of Saturday will
be convenient for us.

Please let me know
the subjects of the lectures
that I may know how
to answer the inquiries
of friends.

Very respectfully and
cordially yours,
Wm Thompson.
