

GOVERNMENT HOUSE,
OTTAWA.

2nd April 1884

Dear M: Principal.

Mr Lee: is much
gratified at the honor the
Corporation of the City College
propose to confer on him, but
he fears he will have to receive
it "in absentia" as his time
is always occupied at the close

of the session =

He will be passing through
Montreal possibly next week
to meet the Princes and he
hopes to see you for a few
minutes to talk over the
affairs of the Royal Society

always truly yr.

Edwinton

P.S. I will notify you of our

journey when the arrangements are

completed.
