Dr Dowson

Dear Sir: I have just received
I read over your note with great interest. I am
more than pleased with it & should have
evidently glad to talk over some of the points
discussed in it with you

I am getting my Dr. Paddock's
through the Press & have time to refer to & quote
your book as I shall do with brief
immediation

I take the liberty to ask you one
question on p 342 6th line from the bottom
you give a measurement & speak of it as the
"wash". I do not recognize it. was a piece
upward to. Please inform me of its topography
& the name of its Publication in which it
hope of sketching may be formed. & oblige

Yours Very truly
