

Ottawa,
16th April/83

Dear Dawson,

It will be as well to have the draft of the proposed Rules printed at once & circulated.

I cannot make final arrangements about tickets by the Railways until we know something definite as to the prorogation of the Houses. We have at least a month's work on hand, & it would be exceedingly awkward

if the session should not
close by the 22^d, I have
hoped, however, that we
shall manage it by the
16th.

There is no necessity for
saying more about papers,
I have already called
the attention of members
to the subject - within three
months

Yours sincerely,
Prof. Bowditch

P.S. You took away with you
the draft - I have
none.
