Dear Principal Dawson.

Perhaps it will be as  
well that you & I than whom  
I should send a short cable

Telegram to the friends of

English Society invited -

saying the invitation has

gone

and asking them to inform  
you of Telegram as soon  
as it is settled that a  
Delegato comes so that  
suitable arrangements ~~can~~  
may be made for  
his reception?

I have signed & sent  
the invitation to the French  
Academy.

Believe me

Your  
Lester
