

Pictou. May 1st 1883.

Dear Dr Dawson,

I received your two letters, kindly inviting me to stay a few days at McGill College, some little time ago, for which I thank you. I got a note from George saying he proposed leaving for Winnipeg on the 7th, & as I should like to travel with him if quite convenient; I will leave here on Thursday 3rd inst: at 2:15 reaching Montreal at 6:05^{am} on Saturday.

I have had a letter, & a postcard from Rankine, in which he states that the ranche is going on all right, & I only hope it may continue to do so,

With kindest regards to all at McGill College,
I remain yours truly, Robert D. Rudolf
