My dear Dr Davison

I am glad to say
that every thing went right yesterday -
by mail I received the parcel from
Mr Baynes; His Excellency had
appointed 11 A.M. to receive ^{me} at Rideau
Hall; where he requested ^{me} to come
with him to his private parlour, and
kept me in most agreeable conversation
for three quarters of an hour, and I
got the promise, that he would do what
I requested, at a time he named, not at
the time I desired, his time. I must believe
to be the best - excuse this short note. Sincerely
Yours J. Ferrier

Jemie
