

Gazette Printing Company,

Montreal, 13<sup>th</sup> June 1883

My Dear Dr Dawson,

Thanks for your suggestion.  
I will see that Sir Charles Lepper  
is placed at the same position  
as Sir Alexander Galbraith at the  
first meeting of our Committee.  
I am giving Dr Percy a letter  
of introduction to him, as well  
as one to W Colver.

Yours truly  
R. White
