Dear Sir:

Yours of the

7th just from Medicine Hat
to Cross with last mail.

I have much pleasure, as
representative of the mission here
in acknowledging your favour
for the aid of the cause in
this field. We will be
pleased to have you with us
when it shall be permitted
you to visit our section of
this territory again and hope
that the accommodations of the
country shall be greatly for
travellers on next occasion even
now this is a very desirable change
Bernard Dawson Sincerely Yours
A. Robertson
