Mr Dawson Esq. F.R.S. &c
Principal McGill College
M. C.

Professor G. J. Kennedy
having told me of his wish to
be nominated for fellowship in
the Geological Society, at his
request I write to you to say
that I consider him a fit
and proper person to become
a member of the Society and
if possible would like this
to be considered my approval
of his nomination for election
as a fellow.

Believe me yours,
with much respect
