

CITADEL
QUEBEC

Sept. 2. 1883.

My dear Principal Dawson

I was very glad
to hear of your safe return after
your interesting journey in the U.S.
I shall be curious to see what
you have brought with you. Unless
you leave soon for Europe I shall
hope to meet you again at Montreal

which place I want to
visit before leaving this
Country.

Lo Laudon is
certain to do all in his power
for the British association people
and with your advice left to

Nothing but Dr. George
Dawson. No captain cannot
be then than successful.

If Cameron is now with
me, I sh^d. be with McGill,

I beg to commend him to
your attention - Believe me

Dear Principal Dawson

Yours
J. P. Lott
