Belleville, Sept. 4/83.

Principal Dawson, C. S., A. S.

My dear Sir.

We propose to have the public inaugural exercises connected with the opening of our College buildings the last week of October. I fear you shall have left Montreal at that time but if by any means you be detained in the city it will afford us the greatest pleasure to be favored with your presence on that occasion, as we know the

interest which you have kindly
taken in our work.

We ratified last night the
Basis for the proposed Methodist
Union. He will therefore be detained
here probably for 10 or 12 days
in the consummation of the Union.

Will you please therefore favour
me with a note in reply to the
above request & address me

Methodist Conference, Belleisle

I remain, with much respect-

Sincerely yours,

William L. Shaw.
