The Leeds Philosophical & Literary Society,

Sept 17th 1883.

Dear Sir,

The Council of this Society have learned with much satisfaction that you have consented to lecture here next November. They are desirous however of altering the date by giving you the post of honour of the Session, viz our Opening night - Tuesday, the 16th of October.

Kindly let me hear by
an early post if this
can be announced, as other
arrangements are dependent
upon this?

Yours faithfully
W. H. Busbace
