Wednesday Aug

My dear Dr. Dawson

I beg to acknow-
ledge, with many thanks
receipt of your address at
Minneapolis, which I am
sure, my wife (now absent)
as well as I, will find
deeply interesting.

I give you much pleasure
for my service in the matter
to which you refer: I believe
that such immigrations
should be encouraged

by very lawful means!

Again wishing you, Mrs
& Miss Dawson, a pleasant
& profitable visit to the
Old world, and, in due
time, a safe return.

Remain

Yours sincerely
Wm Lewis
