Bradford Oct 5th

1883.

My dear Sir,

I have to thank you
for your note of the 3th inst
advising me of the expected
visit of Principal Dawson
Esq. &c. of the Montreal
University. on the 15th inst.

I assure you it will give
the Council of our Technical
College very great pleasure
to receive him on the
evening of that day
to show him every possible
attention. Most of
our evening classes
meet at 7.15. & he
will have an opportunity

of seeing them at work
both in the class room
& workshop.

Heav the time is too
limited to ask him
to give us a lecture,
as he cannot see all
the departments of the
College in less than
an hour.

I shall however be glad
to see you any day next
week to confer with
me on the subject.

Yours My Dear Sir,

Yours very truly

Henry Mitchell
