

Constantinople

19th October '83

My dear Dr. Dawson

I hasten to acknowledge
your note of the 8th, and
to enclose you a letter of
introduction to Sir Evelyn
Baring, who will do
everything in his power
to forward your design,
I am so vexed that I
shall not myself be
in Egypt to welcome you.

You will find it
very difficult to keep
along the lines you
have marked for
yourself without being
diverted by the
Antiquarian fever.

Yours sincerely
Duffin
