My Dear N Dawson,

I had yours of 17 & 24 Oct and the form  
of atty. Re Mr Mills arrived duly executed  
and du Baynes has paid W. B. D. the \$1.1.

I have had much trouble to have the  
arrangement accepted by the Bishops  
for after du Bellune had approved the  
Deed, the Bishop & Mr Hutton said  
that they had not agreed to the  
transaction. After a long discus-  
sion however I have persuaded  
them to proceed & the deed will  
be executed shortly. My thought  
the proposal an "evasion" of the Will

There are something but not of  
great importance of which I may  
write again. Today I am  
pressed.

Yours faithfully  
Ramsay
