

College Park,
Belfast,
Feb. 5th 1884.

Dear Sir,

We have given the subject
of "Evolution in its bearing on the truths of
Revelation" a place on our Programme
for the Pan Presbyterian Council which
is appointed to meet in Belfast on the
24th of next June. The Programme Comt
will feel deeply indebted if you will
kindly do them the great favour of pre-
paring, and delivering, before the Council
on the 25th of June, a paper on that
subject. The Comt will defray your travel-
ling expenses and provide lodgings
for you during the proceedings of the
Council. Please reply at your earliest
convenience.

Yours truly,
Robert Watts.

Principal Dawson,
St Chisolm.

P.S. Please give your name & title in full.
