

GEOLOGICAL SURVEY OF IRELAND,

Office, 14 Hume Street, Dublin,

5 May 1884

My dear Dr. Dawson

As I see by several notices you are now in London - I write to say - that I hope to be there myself next week - and would be very glad if we could meet - Perhaps you could dine with me at my club - or meet me in Jernyngham Museum -

Faithfully yours
Edward Hull

I was every not able to be present - at your lecture this week - It shall be an invitation
