

Lancel Lumsden

THE CITADEL
QUEBEC

Aug. 9. 04

Dear Municipal Dawson

L. S. Melville has just
shown me the duplicate of
your kind letter of the 7th
for which I am much
obligeed.

It will be a pleasure to
me to meet you here on the
12th, and to talk over
approaching events. If you
propose to spend the evening
in Quebec I hope you will
dine here. I wish I

Could offer you a bed, but
our quarters - not very extensive
only just take in our own
party.

If any day other than
the 12th suits you better
pray do not scruple to
alter your plans.

I am,
Dear Principal Dawson
Yours faithfully
Laudman
