POST OFFICE SAVINGS BANK, CANADA.

1. Post Office Savings Banks are open daily for the receipt and repayment of deposits, during the ordinary hours of Post Office business.

2. The direct security of the Dominion is given by the Statute for all deposits made.

3. Any person may have a deposit account, and may deposit yearly any number of dollars, from \$1 up to \$300, or more with the permission of the Postmaster General.

4. Deposits may be made by married women, and deposits so made, or made by women who shall afterwards marry, will be repaid to any such woman.

5. As respects children under ten years of age, money may be deposited:—

FIRSTLY—By a parent or friend as Trustee for the child, in which case the deposits can be withdrawn by the Trustee until the child shall attain the age of ten years, after which time repayment will be made only on the joint receipts of both Trustee and child.

SECONDLY—In the child's own name—and, if so deposited, repayment will not be made until the child shall attain the age of ten years.

6. A depositor in any of the Savings Bank Post Offices may continue his deposits at any other of such offices, without notice or change of Pass Book, and can withdraw money at that Savings Bank Office which is most convenient to him. For instance, if he makes his first deposit at the Savings Bank at Cobourg, he may make further deposits at, or withdraw his money through, the Post Office Bank at Collingwood or Quebec, Sarnia, Brockville or any place which may be convenient to him, whether he continue to reside at Cobourg or remove to some other place.

7. Each depositor is supplied with a Pass Book, which is to be produced to the Postmaster every time the depositor pays in or withdraws money, and the sums paid in or withdrawn are entered therein by the Postmaster receiving or paying the same.

8. Each depositor's account is kept in the Postmaster General's Office, in Ottawa, and in addition to the Postmaster's receipt in the Pass Book, a direct acknowledgment from the Postmaster General for each sum paid in is sent to the depositor. If this acknowledgment does not reach the depositor within ten days from the date of his deposit, he must apply immediately to the Postmaster General, by letter, being careful to give his address, and, if necessary, write again, because the Postmaster's receipt or entry in the Pass Book is not sufficient without the further receipt for the money from Ottawa.

9. Every depositor must send his book, once a year, viz., on the anniversary of his first deposit, for comparison with the Books of the Department, and for insertion of interest. The book will be returned to him by first mail. At no other time should a depositor suffer his book to be out of his own possession.

10. When a depositor wishes to withdraw money, he can do so by applying to the Postmaster General, who will send him by return mail a cheque for the amount, payable at whatever Savings Bank Post Office the depositor may have named in his application.

11. Interest at the rate of 4 per cent. per annum is allowed on deposits, and the interest is added to the principal on the 30th June in each year.

12. Postmasters are forbidden by law to disclose the name of any depositor, or the amount of any sum deposited or withdrawn.

13. No charge is made to depositors on paying in or drawing out money, nor for Pass Books, nor for postage on communications with the Postmaster General in relation to their deposits.

14. The Postmaster General is always ready to receive and attend to all applications, complaints, or other communications addressed to him by depositors or others, relative to Post Office Savings Bank business.

15. A full statement of the Regulations of the Post Office Savings Bank may be seen at any of the Post Offices named in the List on the other side.

The Conditions, Exceptions, and Regulations under which this Parcel Ticket only is granted and agreed to by the Sender of the Packages on behalf of himself and Consignee, are that neither W. & Co., or their Sub-Contractors, shall be answerable in case of any loss, nor for any abstraction, nor for any loss or damage on land or at sea. Packages on which no value is declared or insurance effected are forwarded entirely at the risk of Sender and Consignee, who thereby take all risks of conveyance on themselves, and also any loss arising from bad or insufficient packing, incorrect, imperfect, or illegible marks, numbers, or addresses, and any damage caused by fire at sea or on shore, breakage, leakage, evaporation, rot, rust, vermin, machinery, boilers, steam, collision, or any other accident or cause whatever.

Articles of Glass, or contained in Glass, or a fragile nature, are received only at Sender's Risk. W. & Co., and their Sub-Contractors, shall be exempt from all liability in regard to the condition in which Plants and other Perishable Articles may be found on arrival, from whatever cause it may arise.

Neither shall W. & Co., or their Sub-Contractors, be responsible for any loss arising from detention, wrong delivery, or delay, from want of room in the steamers or ships at the port of departure, transhipment, or landing, nor for any loss, injury, or delay occasioned by or through any deviation from the usual course of the voyage for any purpose whatever, nor for any loss arising from detention by Her Majesty's Custom House, Official, Naval or Military Authorities, nor for detention by officers of any Foreign Government whatever, or quarantine restrictions whatsoever imposed.

Neither shall W. & Co., or their Sub-Contractors, be responsible, if owing to bad weather, casualties, or causes of any kind whatsoever, the Goods cannot be landed at their destination, and if they are obliged to be conveyed to the next Port on the Voyage and returned thence by one of the same Company's Steamers having space, no claim for indemnity for such delay shall be made.

Neither shall W. & Co., or their Sub-Contractors, be responsible for any loss arising from the act of God, the Queen's enemies, captures or seizures, lawful or unlawful arrests, restraints, or detentions of kings, princes, governors or people, of what nature, condition, or quality whatsoever, or for the consequences thereof, or any attempt thereat, pirates or robbers by sea or land, nor from any act, neglect, mistake, or default whatsoever of the pilot, master, mariners in navigating, or servants on board the steamers or ships, jettison, barratry, and all the perils, dangers, and other accidents of the seas, rivers, canals, railways, land carriage, and steam navigation of whatsoever nature and kind.

The company, owner, agents, or master of any steamer or ship by which packages and goods are forwarded by W. & Co. shall be at liberty at any time or times during the voyage to tranship the said packages and goods in case of need or official requirement, to any other steamer or ship chartered or otherwise, such removal and reshipment being at the Senders' and Consignees' risk; also in case of need to land and store the said packages and goods at the like risk until an opportunity occurs to resume the voyage, with liberty also to tow and assist vessels in all situations and circumstances, and to deviate for any purpose and to call and stay at any ports and places, whether in or out of the usual course of the voyage, and in any order and for any purpose, or at any time whatsoever.

A written declaration of the Contents and Value is required for Customs entry, and must be delivered to W. & Co. at the time of Booking. A wrong description of contents or false declaration of value shall release W. & Co. and their Sub-Contractors from all responsibility in case of loss, seizure, or detention, and the Goods shall be charged double Freight on the real value, which freight shall be paid previous to delivery. Senders will also be held liable to additional charge for Freight, and for any prejudice or delay that may result from an incorrect declaration of Contents and Value, and will be held responsible should any damage arise from leakage, breakage, bad packing, or otherwise.

It is further specially agreed that this Parcel Ticket is accepted, and shall be subject only to the Conditions and Regulations inserted in Wheatley & Co.'s Freight List, and that W. & Co. shall not be responsible for delays in the arrival of Parcels, owing to Customs' examination or other difficulties over which they have no control. Weight, value and contents are unknown to W. & Co.

W. & Co. reserve to themselves the option of charging by value, weight, or measurement.

CONDITIONS AS TO THE DELIVERY OF PACKAGES.

Neither W. & Co.'s or the Steamers' Agents will deliver until all charges due for Conveyance, Customs Entries, Duty, Bonding, Transhipment, Landing, Portage, Agency, Salvage, and General Average are previously paid. This Ticket must be forwarded per post by the Sender to the party for whom the Packages are intended, that he may know the Agent to whom application must be made for delivery, and its acceptance by the Sender of the Package binds both himself and the Consignee to the Conditions herein mentioned, although neither may have affixed his Signature to it.

Neither W. & Co. or their Agents shall be held liable for any lien due on the said Packages, should delivery have been made to Addressee before this Parcel Ticket is produced to such Agents.

Parcels for St. Thomas, St. Lucia, Havana, Grey Town, Ascension, Santa Martha, Carthagena, Martinique and Vera Cruz, must be taken from alongside the Steamer at Consignee's risk and expense where the landing charges are to be paid by Consignee, and if subject to Duty must be cleared from the Custom House by the parties addressed.

Packages will not be delivered, or forwarded to the Interior or to Out-stations, except on previous reimbursement of the Import duty, and usual Landing and Transhipment Charges, Clearing, and Portage, as well as Carriage to final destination when pre-payment is necessary. Packages in store are at Senders' and Consignees' expense and risk, and if not applied for on arrival neither W. & Co.'s or the Steamers' Agents will be liable for any claim whatever. Perishable Articles refused by Consignees or their Agents, W. & Co. shall be at liberty to sell, and any deficiency in the charges due shall be made good by the Owner. W. & Co.'s Agents in the United States, Canada, and British America use every exertion to despatch Packages to outlying districts by earliest opportunity after the foregoing conditions have been complied with, but it is agreed that they shall not be liable for delays, and it is also one of the Special Conditions under which this Parcel Ticket is granted, that when Packages directed to Places beyond the Port of Landing or out of W. & Co.'s control, are despatched by W. & Co.'s Agents through or delivered to any Carrier, Steam or Express Company to forward to destination, neither they or W. & Co. shall be held responsible for any negligence or non-performance of duty of such Carrier, Steam or Express Company, nor for any loss or casualty whatever happening during transmission from such Port of Landing, but such Carrier, Steam or Express Company shall be regarded exclusively as the Agent of the Sender and Consignee of such Package. Neither shall W. & Co., or their Agents, be responsible for the delivery of Parcels at the residence of Consignee, although they may be so addressed, where it is not the custom to deliver, but only for the arrival of the Packages at the place of destination. Packages for all other places must be applied for to the Steamers' Agents, unless otherwise indicated below.

Packages of unusual and inconvenient size will be subject to additional charge. Wheatley & Co. being merely Agents to facilitate the transmission of goods placed in their hands, are in no way responsible for any acts, defaults or omissions of Shipowners, Lightermen, or Railway Companies, or other Carriers by water or land, or of any Warehouse Keepers or other Persons to whom such goods may for any purpose be delivered, or of the Agents or Servants or Sub-Contractors of any such Shipowners, Lightermen, Railway Companies, Carriers, Warehouse Keepers or other Persons, nor are Wheatley & Co. in any way responsible for any acts, defaults or omissions of their Agents, or other their Agents for the time being, nor for any money remitted or paid to any such Agents for the purpose of paying duty or charges or otherwise in respect of such goods. Wheatley & Co. are at liberty without taking any responsibility on themselves, to ship or forward such goods with any other goods, under one Bill of Lading or other Contract, as well by land as by water, and upon any terms and subject to any conditions required by any Shipowner, Lighterman, Railway Company, Carrier, or other Company or Person, and shall be under no obligation to make any separate contract in respect of such goods.

CONDITIONS OF INSURANCE.

A Special stamped Ticket or Policy is issued for Insured Packages if the premium be prepaid. Insurances are free of capture and seizure, and the consequences arising from any attempt thereat. Packages not lined with tin will be insured only free of particular average. During a state of War Insurances can only be effected warranted free of capture and seizure, and the consequences of any attempt thereat. Insurances cease immediately the Packages reach their destination; when presented to Consignees and refused, or if not applied for to the Agents, as directed, they remain in store at the risk of Consignees. Claimants for losses under Insurances effected, are to furnish, if required, the usual proof of value, which, with all average losses and like matters, are to be settled through W. & Co. in London, and adjusted according to the established practice of the London Insurance Offices.

In cases in which Wheatley & Co. agree to effect Insurance, they shall not be bound to effect any separate or special policy, but may declare the goods upon any open or general policy, and wheatley & Co. shall not be responsible in case the Underwriters dispute their liability on the ground of the invalidity of such policy or otherwise, nor in any case, if from any cause, payment shall not be actually received from such Underwriters, and in no case shall Wheatley & Co. be responsible for more than the net proceeds thus collected, nor shall Wheatley & Co. be in any way responsible by reason of the rate of freight and charges and premiums of insurance respectively payable by them, differing from the freight, charges and premium of insurance respectively payable to them.

Caution—Gunpowder, Liquids, Acids, Medicinal Fluids, and articles of an inflammable or other dangerous or damaging character, cannot be received, and if sent without notice, Sender and Consignee will be held responsible for all damage arising therefrom, and will also incur a penalty not exceeding £100 as per Merchant Shipping Act, 1854, sec. 323; or under the New Act 36 and 37 Victoria, cap. 85, sec. 28 and 24, whereby the Master or Owner of any Ship may open suspected Packages and refuse to convey them.

THIRD YEAR.
BUREAU OF PRESS CUTTINGS.

ESTABLISHED APRIL, 1884.

SAMUEL LEAVITT, *Manager.*

171 MACDOUGAL STREET.

NEW YORK, April 1, 1885.

Entering the second year of the existence of this bureau, I invite attention to some selections from letters received from distinguished patrons and others.

With enlarged experience and facilities, and having demonstrated the value and feasibility of the bureau, I hope for increased evidence of the public appreciation of this new Labor-Saving Machine.

Among the noted names on our subscription lists, besides those mentioned in previous circulars, are these:

Rev. Dr. Rylance, Dodd, Mead & Co., Charity Organization Soc., Mgr. Capel, Hon. Levi P. Morton, Prof. J. S. White of Berkeley School, Dio Lewis, M. D., A. Sonnenthal, Mrs. H. M. Plunkett and R. S. Perrin, Esq.; of this city; G. M. Tucker, Esq., Editor *Country Gentleman*; Jas. Parton, Esq.; "Judge Wiglittle;" Prof. F. W. Fisk, Chicago Theological Seminary; Prof. G. F. My Dear Sir—If I were a young author, I should very probably enclose five dollars and read all the slips you sent me; but I am an old author, and I see quite as many extracts from newspapers as I care to read—and a few more—sent me by editors and writers. I have no doubt many authors find your arrangement very convenient.

THE MONTREAL AND DOMINION TELEGRAPH COMPANIES' LINES

Form 2

OPERATED BY THE GREAT NORTH WESTERN TELEGRAPH COMPANY OF CANADA.

ALL MESSAGES TAKEN BY THIS COMPANY ARE SUBJECT TO THE FOLLOWING TERMS:

It is agreed between the sender of the following message and this Company that said Company shall not be liable for damages arising from failure to transmit or deliver, or from any error in the transmission or delivery of an unrepeatable telegram, whether happening from negligence of its servants or otherwise, or for delays from interruption in the working of its lines, for errors in cypher or obscure messages, or for errors from illegible writing, beyond the amount received for sending the same. To guard against errors, the Company will repeat each any telegram for an extra payment of one-half the regular rate, and in that case it shall not be liable for damages beyond fifty times the amount received for sending and repeating. Correctness in the transmission of messages can be insured by contract in writing, stating agreed amount of risk and payment of premium thereon at the following rates, in addition to the usual charge for repeated messages, viz. — One per cent. for any distance not exceeding 1,000 miles, and two per cent. for any greater distance.

This Company shall not be liable for the act or omission of any other Company, but will endeavor to forward the telegram by any other Telegraph Company necessary to reaching its destination, but only as the agent of the sender and without liability therefor. This Company shall not be responsible for messages, until the same are presented and accepted at one of its transmitting offices; if a message is sent to such office by one of the Company's messengers, he acts for that purpose as the sender's agent; if by telephone, the person receiving the message acts therein as agent of the sender, being authorized to assent to these conditions for the sender. This Company shall not be liable in any case for damages, unless the same be claimed, in writing, within sixty days after receipt of the telegram for transmission. No employee of the Company shall vary the foregoing.
