Dear Sir

I have been looking
into the facts of your
book "The Chain of Life".
We still have about
1000 on hand. It is
as easy to print &
paper as simply a
title. Hence it has
occurred to me that
you might perhaps
be able to write a new
preface & possibly, if

new facts justify it, add
a supplementary chapter.
We would reduce the book
from 6/6 to 6/1, a much
better price & the advertise
it as a second edition,
revised & cheaper.

of course we cannot
alter the text as that
is printed.

What do you think of
this suggestion.

Yours truly
G. M. G. G. G.

promised within of late
but I hope to have your
book in type shortly.

I enclose a photo.
You left with me some
time ago

With kind regards

Yours sincerely
