

Heecker

Montreal 5th March 1865

My dear Sir William

On arriving in Town
this morning I went to
De Meuse's Office. Expecting
to hear from him as to
our plans, but I found
he was absent in Ottawa.

The Matter must wait
now until I come to Town
again on the 10th and I
will try and put the
thing into some kind of
shape between now & then.

We must have time and

and use interest with the Cabinet
to let it stand for this year.
If you know any one who
can bring influence to bear
on Lynch or Robertson
please obtain their assistance
Yours very truly
