

Enc.

Ottawa,

1st May, 1885,

Dear Mr White,

Your letter of the 21st
ultimo, with the enclosure
herewith from Mr Dawson,
was handed by Sir John Macdowall
to Sir David Macpherson,
who asks me to tell you that
Lieutenant Governor Dewdney
has full authority to make
whatever arrangements may be
possible, to furnish seed grain
to the settlers on the Saskatchewan,
and Mr Dewdney is, I believe,
thoroughly alive to the importance
of the subject.

Sincerely yours,

Am. B. J. J.

Thomas White, Esq.,
