

11<sup>th</sup> May 1885

Sir William Dawson  
Montreal.

Dear Sir:-

My son, who is a  
veterinary graduate of 1884, and  
who also received his degree of  
M. D. at McGill this season,  
intends sailing for Edinburgh  
on the 16<sup>th</sup> inst. for the purpose  
of taking a degree at the University  
there. Will you kindly give him  
a letter of introduction to some  
of the Professors and any other  
information you may deem  
advisable. By so doing you  
will confer a very great favor.

I was in Montreal and  
called on you but it being

Convocation Day in Arts, you  
were so busily engaged that I  
could not see you. My son  
will be in ~~Quebec~~ Montreal  
on Thursday, on his way to  
Quebec, and will call on you,  
but fearing you might be  
absent I thought better to write  
in time.

Yours respectfully,  
R. A. Black.

Kluck
