Sir William Dawson U.S.

Pres. Will U.S.

Honorable Sir:

May I ask
permission to use your name
as a reference? Pres. Rev.
J. A. Lippincott of the University
of Kansas, Lawrence, Kansas,
has asked me for references,
since an interview would be
out of the question. The vacant
position is that of Greek
Language and Literature, in
that institution

The use of your name
would no doubt have great

weight provided you feel
that you could testify anything
in my favor.

Accept my sincere thanks
for former favors.

Yours truly
A. J. Eaton
