

GOVERNMENT HOUSE
OTTAWA

May 20. 05

Dear Sir William Dawson

I am ashamed of myself for having
given you the trouble of writing to me. I
read your letter with much interest, many
thanks for it. I shall look forward to seeing
your "Eastern derivations".

The voices of the old Testament at
home appear to be doing the work somewhat
faithfully. I wonder whether they will
have corrected the word "paper reed" in
Isaiah xix.

Yours if

Laundon
