Prof. J. W. Dawson

~~Montreal~~

Canada,

Little Metis

Pittston P. July 10<sup>th</sup> 1885

Dr Sir

The fossils arrived in good condition and has been examined with much interest. Will prepare a box in return as soon as possible, but the attendance on Prof. Lesquereux while examining my collection will demand all my time for a few weeks to come. Hope you will excuse the delay and be pleased on their arrival. Have you no suggestion to make as to what I shall send?

Very Truly Yours

R. D. Sacad
