

Pictou 21<sup>st</sup> July 85

Dear Sir William

I have your note of 18<sup>th</sup> Inst. and do not think it will be necessary to put you and Lady Dawson to the inconvenience of going to Grand Metis or Sandy Bay to execute the deed referred to. Please <sup>never</sup> ~~may~~ <sup>will</sup> reserve it for your return to Montreal. I will write the party to whom I sold the land & explain the circumstances & I think he will be satisfied to allow the matter to remain in abeyance without a formal agreement until your return to Montreal.

Wishing you all  
much enjoyment in your holiday  
Sir Wm Dawson Yours sincerely  
Little Metis  
Dawson. H Pimmon
