My dear Mr William,  
You remember that  
you, Dr. Matthews, and  
myself were appointed  
a sub. Committee to  
deal with two matters  
one, the time for the  
Examination of Law  
- didates in regard  
to Academy Diplomas  
the other on Examination  
of graduates on the  
Art of Teaching.  
I suppose that a

meeting of this Sub.  
Committee will be  
impossible till we  
reach Quebec. I  
purpose going there  
on Tuesday in next  
week, and shall  
be staying with the  
Bishop - Perhaps  
we might meet before  
the assembling of  
the General Committee.  
I am, as far as  
possible, at your  
disposal.
