

Ottawa,
14th Sept 1855

Dear Sir William,

I took breakfast only
at the Mission last Friday whilst
waiting for the Ottawa train on my
way from Nova Scotia. Otherwise I
should have called to see you.

I shall make all the inquiries
I can with respect to the Insurance
Suspensionship. I have heard that they
are, & no names are mentioned
in connection with the office. I
shall be exceedingly glad if you
can get it, as I feel convinced
he will fill the position with great
efficiency. You appear ^{so far} to have

done all that is possible
under the circumstances.
You must press your friend
buse every where. I shall
endeavour to find Mr
Bonell when I see him

Yours sincerely
Jno. Bonnell

Bourinot
