Netis Oct- 6th 1885-

Sir Wm Dawson.

Dear Sir.

I write to say that,
on 27th of September I presented
to the Sabbath School on 2nd Concession,
Netis, the S.S. Books you sent
to my address.

I delayed to that day as I had asked
the children to contribute ten
cents each to enable me to add
some more ^{books} to those you and
Mrs Redpath gave. After
giving yours, I gave them the
ones they purchased and the
whole make the foundation of a
good S.S. library.

I have all the books arranged

so that the librarian can keep
track of the books taken out, &c.

When I presented your books
it was moved by
Mr. Dargald Blair, seconded
by Mr. Alex Craig, and unanimously
agreed to by each member of the
S. S. - That the thanks of the S. S.
be tendered to Sir Wm Dawson
for his kindly remembrance of
our school and for his excellent
gift of Sabbath School Books."

I have much pleasure
in conveying to you this vote of
thanks. I leave Quetz this
week, as I have to return to college.

I regret leaving my S. S. for
the children are all deeply interested
in their studies.

Remain truly yours.
Norman Le Lash
Missionary Student Quetz.
