

OHIO GEOLOGICAL SURVEY,

COLUMBUS, O., Oct. 20th 1885.

Sir William Dawson.

My dear Sir,

I am extremely obliged to you for your very instructive reply to my recent communication. The sample forwarded came safely back but I expected you to return it by Express at my expense.

I shall seek new material immediately and will forward to you all that looks promising.

I think that Prof. Andrews's collections are no longer available. I will, however, inquire of his family —

With great respect,

Very truly yours,

Edward Orin.
