Dear Sir

all the more important  
your alterations (found  
yesterday morning) will  
be convenient. The good  
small ones would rather  
be done running & a  
whole page of what is  
already cast. These are  
really immaterial

to the sense and chord  
of the heart.

A good many bags had  
been already cast.

In order to introduce in  
addition all matters on

p 19 we are having  
the upper portion re-cast.

Authentic copies - fifty -

It will be sent to
