Sir, J. W. Dawson  
Montreal, Canada.

My dear Sir:

I have the pleasure of acknowledging the receipt of your letter of Dec 9<sup>th</sup> and of thanking you for your report on Nova Scotia and also for the pamphlets which you were kind enough to send me. I had a copy of the first edition of your report with me during a trip in Nova Scotia several years since. Should circumstances favor I hope to carry the third edition over the same ground. Thanking you very much for your kindness. I remain.

Very respectfully  
J. C. Russell

Dear Sir,

Dr. J. P. Harrison  
Dec 1 1877

I have the pleasure of acknowledging the  
receipt of your letter of Dec 29 and of thanking  
you for the information you have given me  
concerning the fossils from the  
Cincinnati region which you were kind enough to  
send me. I had a copy of the first edition  
of your report with me during a trip in 1876  
to the Cincinnati region, and should have  
found it the more interesting as the  
specimens you were good enough to  
send me were from the same  
localities. I am,  
Very respectfully,  
J. C. Brant
