My dear Sir

Your postal of the 22nd came duly to hand. I regret to say that I had no extras furnished me of my article in the Ray report and do not think any were printed. Otherwise, knowing your interest in the group, I should have sent you a copy. I shall always be glad to be of service to you in any way and hope, if I can, you will feel no hesitation in asking me. With best wishes of the season I am

Very truly yours
